§ 614.6 Determinations of entitlement; notices to individual and Federal military agency.

(a) *Determinations of first claim.* Except for findings of a Federal military agency and the applicable Schedule of Remuneration which are final and conclusive under § 614.23, the State agency whose State law applies to an individual under § 614.8 shall, promptly upon the filing of a first claim for UCX, determine whether the individual is otherwise eligible, and, if the individual is found to be eligible, the individual's benefit year and the weekly and maximum amounts of UCX payable to the individual.

(b) *Determinations of weekly claims.* The State agency promptly shall, upon the filing of a claim for a payment of

UCX or waiting period credit with respect to a week, determine whether the individual is entitled to a payment of UCX or waiting period credit respect to such week, and, if entitled, the amount of UCX or waiting period credit to which the individual is entitled.

Each notice of determination or redetermination shall include such information regarding the determination or redetermination and notice of right to reconsideration or appeal, or both, as is furnished with written notices of determinations and redeterminations with respect to claims for State unemployment compensation. Such notice shall include the findings of any Federal military agency utilized in making the determination or redetermination, and shall inform the individual of the finality of Federal findings and the individual's right to request correction of such findings as is provided in § 614.22.

(2) A notice of claim filing and subsequent notices of monetary and non-monetary determinations on a UCX claim shall be sent to each Federal military agency for which the individual performed Federal military service during the appropriate base period, together with notice of appeal rights of the Federal military agency to the same extent that chargeable employers are given such notices under State law and practice unless an alternate mechanism is established by the Department of Labor in lieu of such notices.

(e) *Obtaining information for claim determinations.* (1) Information required for the determination of claims for UCX shall be obtained by the State agency from claimants, employers, and others, in the same manner as information is obtained for claim purposes under the applicable State law, but Federal military findings shall be obtained from military documents, the applicable Schedule of Remuneration, and from Federal military agencies as prescribed in §§ 614.21 through 614.24.
